

# Discipleship in the Home

## Morning Time

Have you ever broken a promise? How does it make you feel to know that God never has and never will?

Who did you learn about this week in small group? What was special about them? (Abraham and Sarah waited for 25 years for God to fulfill His promise of giving them a son.)

This week you learned Abraham and Sarah loved and trusted God. What is a situation you face that requires your faith to grow?

## Driving Time

Knowing the God keeps His promises, does it make it easier for you to trust Him?

Why do you think God makes us wait sometimes? (Encourage your child to understand that God wants us to have complete faith in Him and to trust Him with everything we have.)

Abraham and Sarah had to leave their home to follow God. Their faith was seen in their obedience. In our world, how does being a person who follows the rules and respects authority make you different? Does your example make people want to know about Jesus?

## Dinner Time

Are you worried about anything? What can you remind yourself about God that will help you trust Him and not be afraid?

Share with your family a time in your life when you had to wait for something and/or a time when you fully trusted God to fulfill His promise.

Sarah's laughter was a symptom of her unbelief. What are some symptoms of your unbelief?

## Night Time

Do you have any prayers you are waiting on God to answer, like Abraham was waiting on a baby? You can trust that God will always keep His promises!

This would be a good time to thank God for being so faithful and for knowing and wanting what is best for us. What else would you like thank God for?

Our family can trust God. What are some things we do that make trusting God easier?
