

Discipleship in the Home

Morning Time

Morning is a good time to think about our Bible verses because our minds are rested and we're preparing for a new day. Can you think of a Bible verse that might help you make God happy today?

This week your small group talked about "treasuring" the Bible in our hearts and minds. What's one way we can treasure God's Word? (Memorizing it.)

What has been your memory verse in small group recently? Can you recite it for me? (1 Timothy 4:12, HCSB)

Driving Time

This week you learned about memorizing Bible verses. Do you remember why we should memorize God's Word?

There are lots of things I must remember when I drive in order to arrive safely at my destination. There are rules that a driver must memorize. How can memorizing God's Word help us get through life?

What did you talk about in small group this week? Do you remember the story and the main point of the lesson? (David memorizing Scripture in the fields and Psalm 119.)

Dinner Time

In the Bible, the Word of God is often compared to food. God's Word helps us grow strong just like food helps us grow strong. Meal time is a good time to slow down and review some of the verses we have memorized. What verse would you like to review?

The Bible talks a lot about meditating on God's Word. What do you think it means to meditate on something? (To think about it, to memorize it, and think about how we should live because of it.)

As a parent, talk about one of your favorite verses and invite your child(ren) to share a favorite verse or a memory verse they've been working on.

Night Time

Did you know that memorizing Bible verses is a little like taking a bath. Do you know why? (The Bible can help us think clean thoughts, do the right things, and find forgiveness (cleansing) when we've done wrong.)

Based on what you talked about in small group at church, how can we show that we value God's Word this week or any week? (By memorizing the Bible and meditating on it.)

Did you encounter a difficult situation today? Is there anything in the Bible that might have helped you in that situation? (Be prepared to share from your own knowledge of Scripture.)
