Guidelines

1. Leave room for Jesus rule, no public displays of affection during camp. This week is meant for you to focus on the LORD.
2. Pranks tend to go too far, so to ensure everyone has a great time lets leave our water guns, super-soakers, water balloons, etc.. at home and shaving cream may only be used for shaving. NO PRANKS.
3. SHIRTS can be sleeveless, but must have a seam- IT MUST BE THE WIDTH OF THREE FINGERS FOR BOTH GUYS AND GIRLS. Also, please watch the neckline and fit of the shirt. Stomachs cannot show. Please work with us on this issue as we attempt to give God all the glory and honor in everything we do, no matter how small it may seem.
4. All shorts must be finger tip length or longer. No shorts or pants with writing on the backside.
5. SHOES of some kind must be worn at all times, except during pool time, of course.
6. SWIMSUITS must be modest and appropriate. Girls must wear a one-piece.
7. The only electronics you will need is something to take pictures, take notes and bible. Please leave the games and music at home.
8. Guys rooms are for guys only, girls rooms are for girls only. I know this can seem confusing, but no guys in girls' cabins, and no girls in guys' cabins.
9. LIGHTS OUT means all rooms must turn all lights out and be quiet. Changing clothes and brushing teeth and all getting ready for bed must be done BEFORE lights out.
10. We expect our older students to take care of and protect the younger students. Older students should look for opportunities to help, and encourage younger students.
11. Leave the place better than when you got there, always pick up after yourself, and even if it is not your mess pick it up.
12. Be on time

On the Buses...

1. Please respect the buses we have rented and the bus drivers. Keep the noise level down, pick up after yourselves. Your conduct, attitude, and cleanliness is a direct reflection on Long Hollow, and more importantly the Lord. Please do not give the drivers any reason to complain about our students.
2. Please be on time.
