Guidelines

1. We expect our older students to take care of and protect the younger students. Older students should look for opportunities to help and encourage younger students.
2. Please, no public displays of affection during camp. There will be no guys in girls' cabins, and no girls in guys' cabins.
3. Pranks tend to go too far, so to ensure everyone has a great time let's leave our prank supplies at home and shaving cream may only be used for shaving. NO PRANKS.
4. The only electronics you will need is something to take pictures, take notes and a Bible. Please leave the games and music at home. We ask that phones are not a distraction. Phones may be taken up if they become a distraction.
5. LIGHTS OUT means all rooms must turn all lights out and be quiet. Changing clothes, brushing teeth and getting ready for bed must be done BEFORE lights out.
6. Leave the place better than when you got there and always pick up after yourself.
7. Be on time!

DRESS CODE:

- Shirts can be sleeveless, but must have a seam- Sleeves must be at least three finger widths for guys & girls.. Also, please watch the neckline and fit of the shirt. Stomachs cannot show.
- All shorts must be finger tip length or longer. No shorts or pants with writing on the backside.
- Shoes must be worn at all times, with the exception of the pool of course. Closed toe shoes are recommended for rec activities.
- SWIMSUITS must be modest and appropriate. Girls must wear a one-piece or a tankini that meets.
- Please work with us on this as we attempt to give God all the glory and honor in everything we do, no matter how small it may seem.

ON THE BUSES:

Please respect the buses we have rented and the bus drivers. Keep the noise level down, pick up after yourselves. Your conduct, attitude, and cleanliness is a direct reflection on Long Hollow, and more importantly the Lord. Please do not give the drivers any reason to complain about our students.
